

A Rainbow Adventure with Sfida Session 2

Sfida has some big questions for you!

To complete these activities, Sfida needs you to grab yourself a thinking hat. Dig out your best witches or wizards' hat, cat ears or reindeer antlers whatever weird and wonderful headwear you can find, and join in the challenge.

- Loo Roll
- Recycling
- Glue
- Pens

Halloween keepy-upy. It's time for some fun! Using your hat or antlers try dropping them at arm's length and catching them on your foot. You'll have to give it several goes until you are able to catch it on your foot.

Sfida would like to invite you and someone in your family to play the thinking game, where together you will ask questions and think about things in a different way.

She would like you to play some music with your best thinking hat on. While the music is playing you need to think about the answer to a question that you will read first. When someone stops the music you both need to say your answer to the question. Did you both say the same answer?

Sfida would like you and your family member to answer the following questions:

- What's the softest thing you've ever touched?
- What's the biggest thing you've ever seen?
- What's the stickiest food
- What's the coolest thing you've ever felt?
- What's the crunchiest thing you've ever eaten?
- What's the hardest thing you've ever felt?
- What's the loudest sound ever?
- What's the tastiest thing you've eaten?

Now you've answered some questions for Sfida have a think of three questions to ask Sfida.

Now Sfida has a special challenge for you. Using rubbish in your recycling bin and a loo roll, she would like you to create your own Halloween monster.

Post your work on Facebook so that we can let your leaders know you took part!
