

A Rainbow Adventure with Sfida Session 3

What matters most

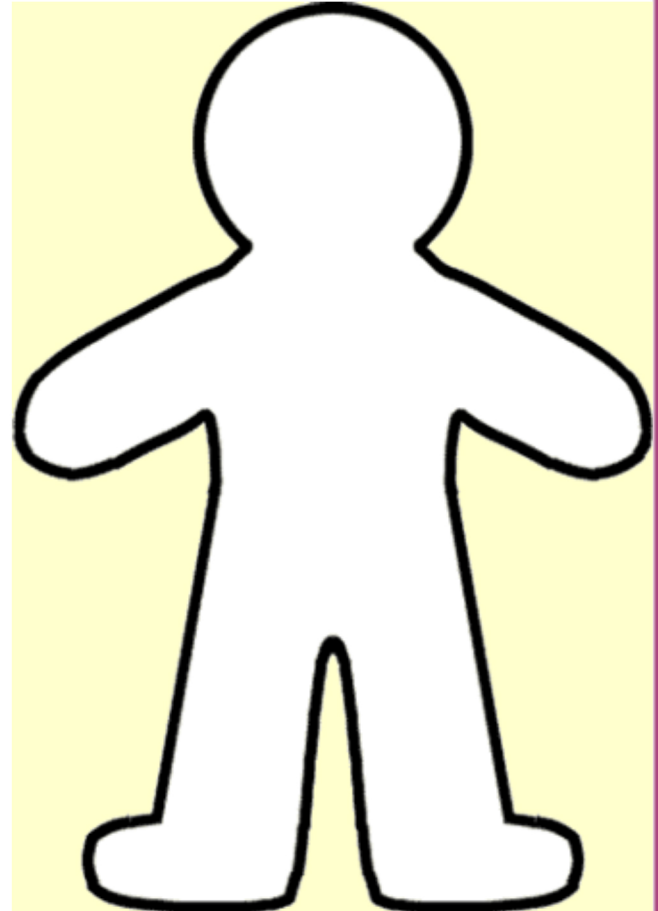

Using the doll template above Sfida would like you to think about your values. Sfida says that the values that a person has are the things they think are most important in life. Some people's values are the same and some are different. Chose 6 values and write them on your template.

Some examples could be:

- Being patient
- Being kind
- Having fun
- Sharing
- Making new friends
- Being polite
- Doing my best
- Trying new things
- Helping people

Can you think of any other values that you think are important?

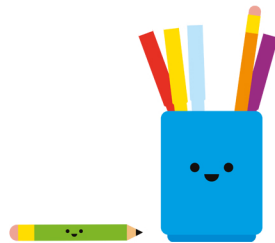

Once you have written 6 on your doll, Sfida would like you to go and ask an adult what they think are some important values. Did they say the same as you or were their answers different?

Thanksgiving Craft

You will need:

- Paper
- Pens
- Card
- Glue
- Other craft supplies - feathers, googly eyes

As it's thanksgiving on the 26th of November in the USA Sfida thought we could all celebrate by creating your very own Turkey puppet. You could go out and look for leaves or feathers to make your turkey.

Post your work on Facebook so that we can let your leaders know you took part!
