

A Rainbow Adventure with Sfida Session 7

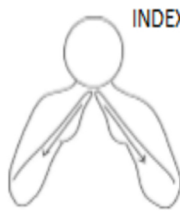

Sing and sign along

We're all different and many of us speak a different language. One language that people use even though it isn't spoken is Makaton sign language.

Sfida would like you to have a go at some sign language by learning how to say "my name is" and then spelling your name using the alphabet on the second sheet. Then she would like you to have a go at the classic camp fire song "we go camping", you may need an adult to help you.

Post your work on Facebook so that we can let your leaders know you took part!
