

A Rainbow Adventure with Sfida

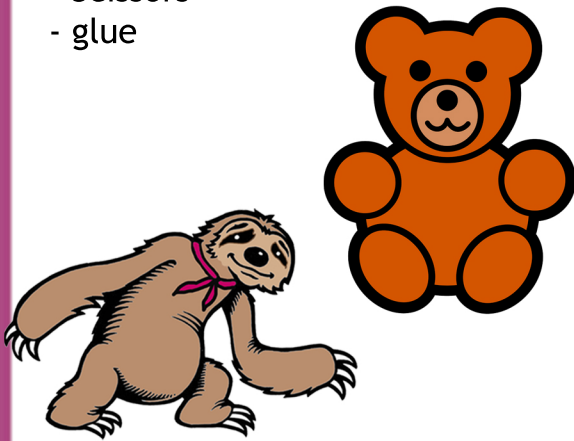

Session 9

Teddy Travels

You will need:

- A teddy or toy
- Paper and coloured card
- Pens or pencils
- Scissors
- glue

Sfida would like you to go on an imaginary adventure with your teddy. To do this you need to choose your favourite teddy and grab some card. Fold the card in half and design your very own passport. To do this you need to draw a picture of teddy with his name and birthday on one side of the card.

Then once you've done this you need to travel round the world with your teddy.

Design stamps to add to your passport based on things that make the country special. For example, England could have a red double decker bus and Australia could have a picture of a kangaroo.

Add the stamps to the other side.

Post your work on Facebook so that we can let your leaders know you took part!
