

Nominee 2

Reason for nomination

What is it that makes this member or recognised volunteer 'Stand Out'? What is exceptional about them or their service?

**** has only been involved in Guiding since 2019.*

She is an active member of a local Guide and Ranger Unit within the Division.

**** and her 2 daughters (1 is a Guide the other a Ranger) are preparing for a 21 mile Rambleathon to support the local Church where all 4 Units meet. This is a challenging target to work towards.*

The Church needs funds for repairs to the Church Roof.

They are also raising funds for the local Food Bank in their area.

Between them they have worked out a training schedule, which they managed to keep on track during the past lockdowns, often walking late into the evening due to restrictions set by the lockdown at the time.

**** always puts others before herself both at a family level and a Guiding level.*

She is a credit to herself, her family and to Girlguiding leading by example.

*I hope the panel will see that *** is a worthy nominee/recipient for the I Stand Out Award.*

Thank you
